History of Gephi

The origin of Gephi lays in a project started in 2006 by Mathieu Jacomy, interested in the exploration of web-based graphs. This was about the same time [Eytan Adar](#) was developing his [GUESS software](#)

Figure 1. Mathieu Jacomy

In 2007/2008, this project morphed into Gephi, developed by a team of students at Université Technologique de Compiègne ([UTC](#)). image::initial-team.png[align="center", title="The intiial Gephi team"]

Gephi has evolved in several major milestones:
